

# Financing Solutions for Manufacturing Equipment

[First American Equipment Finance]

## Why Finance?

### Keep it simple.

100% project costs on a single lease - including equipment, shipping, rigging, and installation costs.

### Keep your cash.

Preserve your capital to invest in other areas of your organization. First American will make all vendor-required deposits.

### Don't wait.

Acquire the equipment you need, when you need it.

### Lower costs.

Various lease structures that allow you to meet your budget requirements and help manage cash flow.
